

# Calina 130 Wall Light

## DESCRIPTION

This modern wall lamp features an exquisite and sophisticated design, crafted from Spanish alabaster. When illuminated, a soft, diffused glow radiates through the stone, fully revealing the beauty of its elegant and delicate veining. The fixture's base is finished in brushed gold with ribbed detailing and paired with a sleek, black mounting bracket, creating a harmonious blend of natural stone textures and luxurious metallic style. An ideal choice for elevating the aesthetic of modern interiors, this lamp adds a touch of stylish warmth to bedrooms, hallways, or bathrooms.
