

Calina 200 Table lamp

DESCRIPTION

This elegant table lamp features a Spanish plaster shade that emits a warm, soft glow, perfectly accentuating the unique texture and veining of the stone. Its tapered base is finished in brushed brass, presenting a fluid and distinctly modern silhouette. Standing 480 mm tall and 200 mm wide, this fixture adds a touch of refined sophistication—whether placed on a bedside table, in a living room, or within any luxurious interior setting.
